

# AluDoors

Aluminium panels  
Ante in alluminio

AluDoors is an aluminium frame designed for wardrobes doors, compatible to **Base, Star** and **Comfort** sliding systems and to related kits for 28 mm thickness.

The 90° cutting of profiles and special junctions allow the installation of AluDoors to be extremely easy, granting a final result marked by a **clean and linear design**.

AluDoors is available in different finishes.

AluDoors è un telaio in alluminio per ante di armadi compatibile con i sistemi scorrevoli **Base, Star** e **Comfort**, per ante con spessore da 28 mm.

Il taglio dei profili a 90° e le speciali giunzioni rendono l'installazione del telaio AluDoors particolarmente semplice e garantiscono un risultato dal **design pulito e lineare**.

AluDoors è disponibile in diverse finiture.
